# EXPERIENCE: CULTURE

An aerial night photograph of the Pier 17 development in New York City. The building is a modern, multi-story structure with a glass facade that is illuminated from within, casting a warm glow. The top of the building features a rooftop garden with a large, illuminated butterfly sculpture in shades of orange and yellow. The building is situated on a pier extending into the water, with a walkway and outdoor seating area visible. In the background, the city skyline is visible, and a bridge with traffic is seen in the distance. The water in the foreground reflects the lights from the building and the city.

**One Seaport Plaza puts tenants and their employees in the midst of the city's most talked about hot spots for cultural experiences, entertainment, and special events.**

---

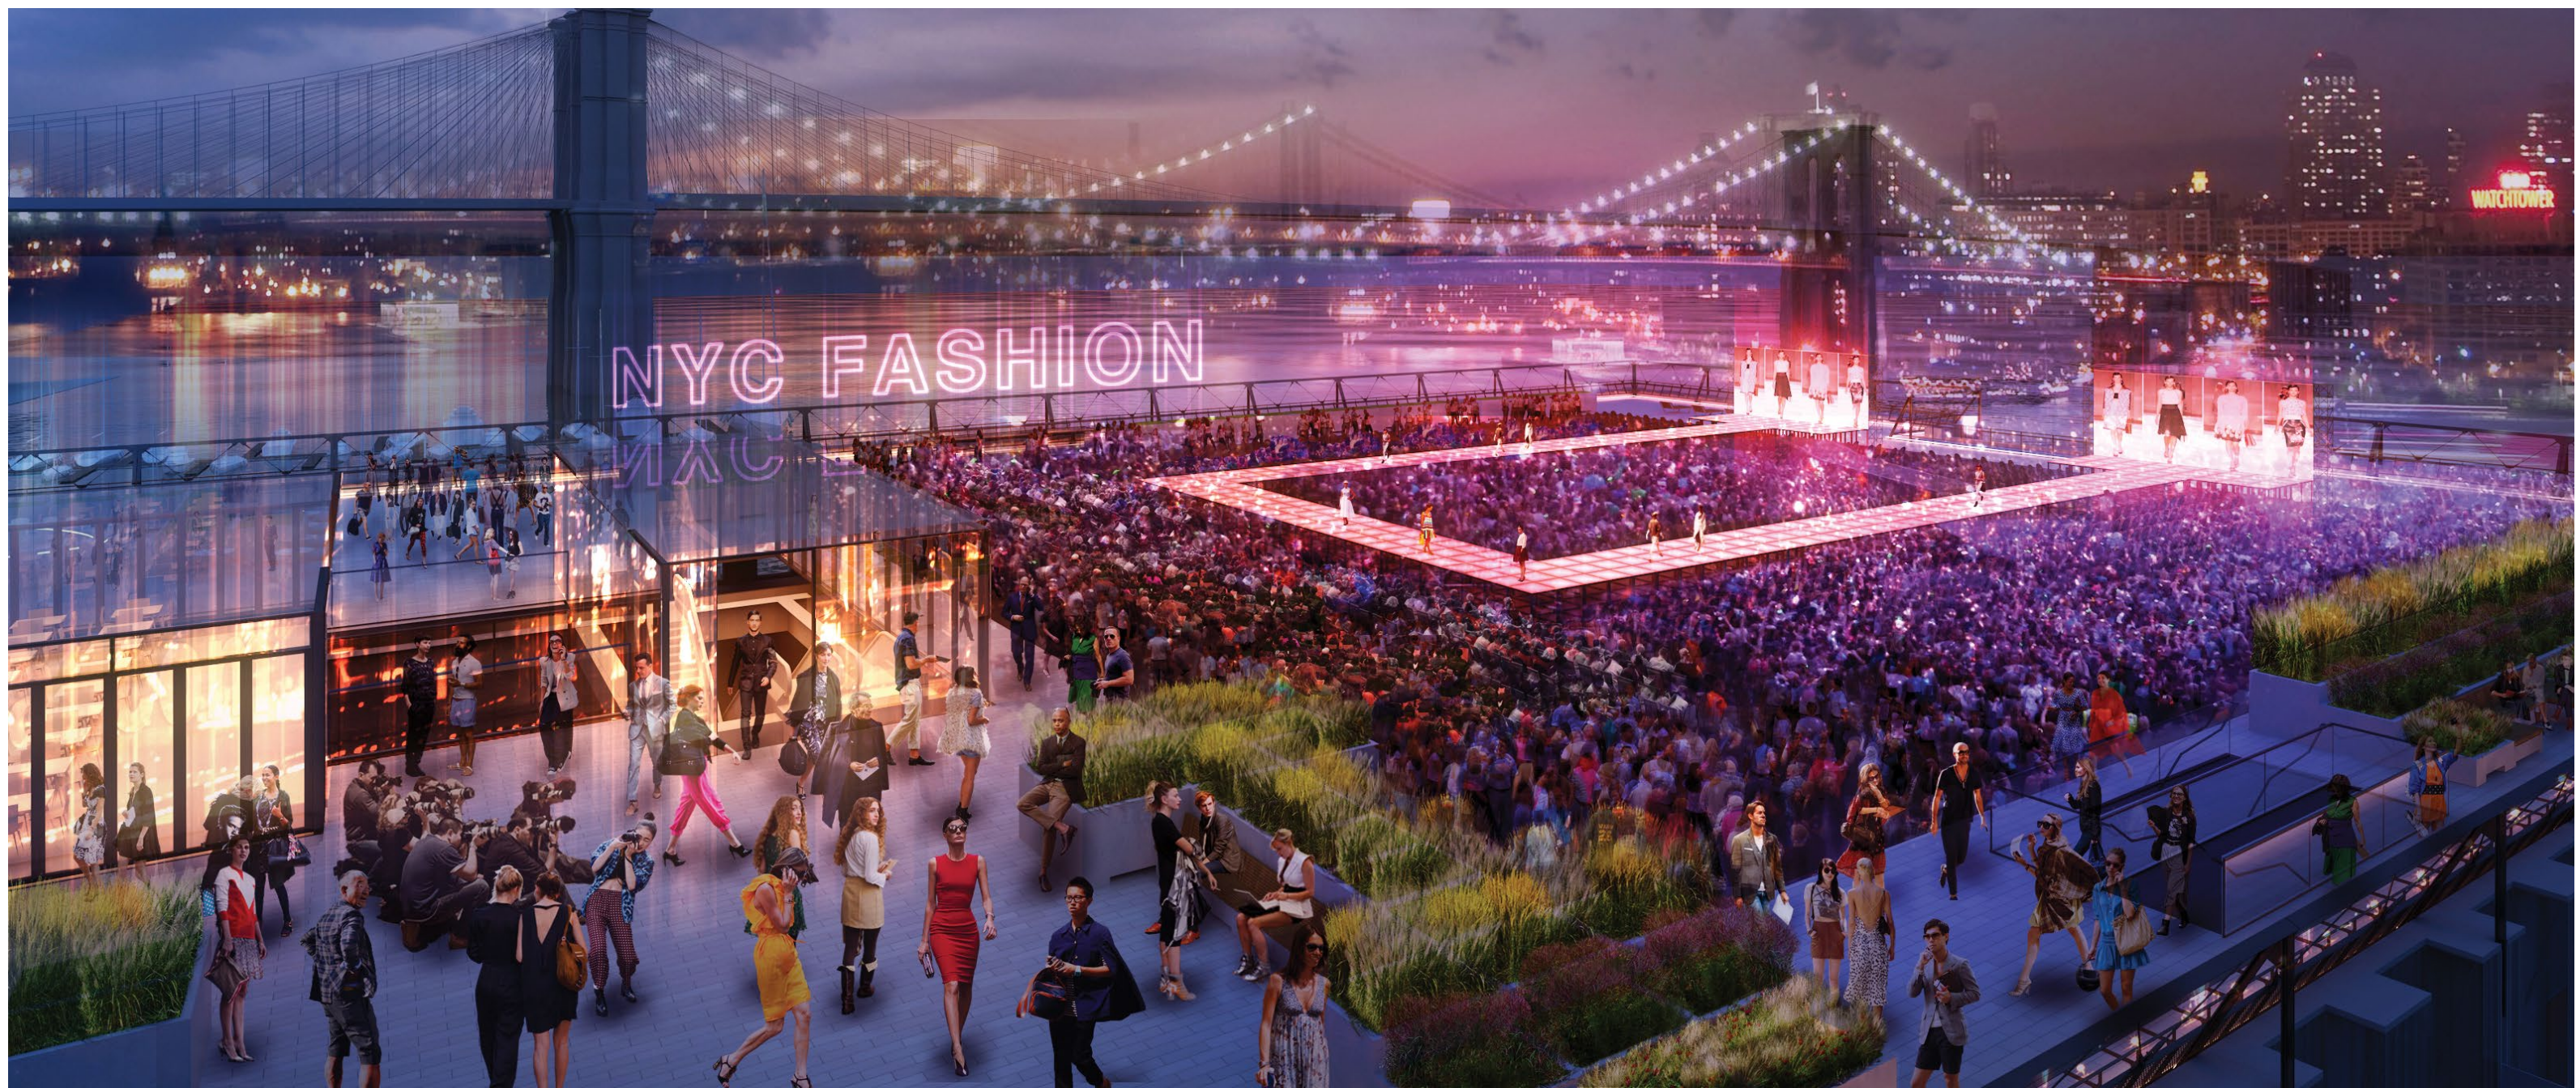

Premiere rooftop and waterfront spaces at Pier 17, a contemporary lifestyle destination that will host a year-round roster of fashion shows, music concerts, movie screenings, and sporting events

---

Educational talks, tours, and art installations curated by the Seaport Culture District

---
